Dear New Utility Customer,

Thank you for allowing us to provide you with your utility services. We provide water, sewer, and electric services. Other services within the village are provided by several other companies. Here is a list of providers that you will need to contact to set up service:

Trash pickup: J & J Refuse holds the exclusive contract for the Village of Marshallville. No other residential trash haulers are allowed to operate within the village. Please contact them at 1-800-201-0005.

Cable TV: The village has two cable companies providing a variety of services for cable TV, internet, and telephone. Either one provides reliable and competitive service. Armstrong 330-682-1836 or Doylestown Cable 330-658-2121

CenturyLink also provides local telephone service at 1-800-201-4099

Dominion is our Natural Gas provider: 800-362-7557, but you should also sign up for our natural gas aggregation program below:

Natural Gas: the village is part of a gas aggregation unit. Call IGS Energy at 877-444-7427 to lock in a guaranteed rate. Identify yourself as an American Municipal Power, Orrville, Wadsworth, Doylestown, and Marshallville aggregation unit member to get the best rate.

How to sign up for new utility service in Marshallville:

1. Go to Farmer's State Bank on N. Main Street to fill out an application and make any required deposits for service. They will contact the utility department and it is that easy.

Thank you,

Marshallville Council and Board of Public Affairs
